

Coil Cleaner

Benefits

- Powerful - Cleans coils, improves system efficiency and reduces energy consumption.
- Effective - Professional-strength formula quickly penetrates and dissolves tough grease, oil, grime, rust and corrosive deposits.
- Superior - Clinging foam deodorizes as it cleans, removing organic odors.
- Economical - Restores cooling efficiency while reducing labor cost.
- Safe - Non-corrosive and will not harm plastics or metals.

Advantages

Cleans and brightens air cooled condenser and evaporator coils and other finned heating and cooling coils. Instantly penetrates and lifts layers of oily grime and corrosive deposits. It's powerful foaming action clings to even the most hard-to-reach areas restoring equipment to peak efficiency.

Coil Cleaner

PRODUCT PROPERTIES

Appearance:	Clear
Physical State:	Liquid
pH:	2.5
Boiling Point:	212° F
Freezing Point:	32° F
Flash Point:	Non-flammable
Specific Gravity:	1.079
Fragrance:	None
Solubility:	Complete

ORDERING INFORMATION

Item No.	Unit Size
4222-004	(4) 1 gal.
4222-005	5 gal.
4222-015	15 gal.
4222-055	55 gal.
4222-275	275 gal.
