

# Mildew Stain Remover

This product is a 9-10% Lithium Hypochlorite solution, an alternative to traditional Sodium Hypochlorite mildew treatment products.

## Use:

For use on bathroom tile and grout, shower stalls, mats and curtains, canopies, boats, under eaves and trim of building, patio and lawn furniture, walls and ceilings and other stained surfaces.

## Directions:

Apply Mildew Stain Remover to stained surface. In bathrooms and enclosed places, apply to stain and leave the area to dry. Rinse with water to remove chlorine odor.
